

Blocking Week Schedule

Blocking Week is when all the dancers come to the theatre to “block” their dances out on stage. **Attendance is mandatory.** Dancing in a new space always requires some adjustments for formations and dancers will also learn where to enter and exit the stage so they are comfortable doing this in the dark for the show. Parents and students will also learn the sign in/sign out procedures they will need to know for filming.

All dancers need to arrive 10 minutes before the start of their rehearsal time to check in. No earlier. No later. All dancers get picked up at the end of their session with a few exceptions noted below under “Pick Up”.

Dancers need to be in their regular dance class attire and shoes. Hair must be in the style they would have for class. If your dancer has multiple dances in one day then hair can be in a bun for all. No costumes or stage makeup.

Tuesday, May 25th, 2021
