

Dress Rehearsal and Filming Schedule: May 29th and 30th, 2021

Dancers must arrive at the KCT 20 minutes before their listed start time in their first costume with hair and makeup done. Dancers are picked up right at pick up times. **Attendance is mandatory.**

Group photos will be taken at the dress rehearsal. Dancers wanting to purchase group photos must bring their completed Photo Purchase Form and their payment in cash on May 29th.

No food is permitted backstage and only water to drink so costumes are not stained. Please make sure your dancer has eaten before they come.

Dancers who leave and come back multiple times must return in their next costume. Changing tents will be available outside the theatre to help with this. Dancers who stay backstage for multiple dances will have a changing area as well. Neither is completely private so we recommend buying a “nude suit” for dancers who are shy about being in their skimpies in front of others. These can be purchased from a dance wear store.
