

# Masks, Hair & Tights

Parents are responsible to provide tights, socks or shorts for their dancer (with the exception of Acro Accelerated).

Masks will be provided by the studio for the dress rehearsal and show filming for the stage but dancers must come in their own for backstage.

Masks will only be given to dancers in Grade 4 (school) and up. Classes with an “ \* “ next to the mask color have dancers in them younger than Grade 4 and so have the choice whether they want to wear them or not. If you DO want your dancer to have one and they are Grade 3 and under please let me know now so I can set one aside for them.

Hair styles are for dancers with enough length for the style.

Check out this video for a tutorial on the French braids tucked under (not a CAC video). Ignore the bit about parting on the left side and instead part straight down the middle. Please pin back any bangs.

If your dancer has very fine or short, layered hair, this same style can be done with dutch braids as well as it holds in the hair better.

If your child has hair too short for the required style, please email the office for some additional options.
